FIM Motul Superbike & Supersport World Championships

2016 Calendar, updated 29 April

The FIM and Dorna WSBK Organisation must regretfully announce the cancellation of Round 10 of the 2016 MOTUL FIM Superbike World Championship. After extensive efforts made by all parties involved to come to an agreement allowing the 2016 season to cover a full 14-Round calendar, no accord with any replacement circuit for the Autodromo Nazionale di Monza has been reached. The 2016 final WorldSBK calendar will therefore contain 13 Rounds, as per the updated calendar below:
