MOTUL FIM Superbike World Championship/ FIM Supersport and Supersport 300 World Championships UPDATE: 2020 Provisional calendar, 11 March 2020

With ongoing external factors of the coronavirus (COVID-19) outbreak, the following changes have been made to the 2020 Motul FIM Superbike World Championship calendar. The FIM, Circuit Officials & Dorna WSBK Organization informs that, due to unforeseen circumstances, the following changes are to be made regarding the 2020 WorldSBK Calendar, with rounds being rescheduled to later dates.

Rescheduled:

- Pirelli Spanish Round (previously 27th - 29th March) rescheduled for 23rd - 25th October.
- Pirelli French Round* (previously 25th - 27th September) rescheduled 2nd - 4th October.

FIM and Dorna WSBK Organization are working extensively with Circuits and Government Officials following up the situation in each country and will inform accordingly in due course if there are further changes to the 2020 Calendar.

Further updates to follow soon.

*With support and agreement of the Circuit de Nevers Magny-Cours, the Pirelli French Round will be postponed 1 week to avoid clashes with newly published MotoGP™ calendar (10th March), in order to maximise the coverage of the event.

DATE	COUNTRY	CIRCUIT	WorldSBK	WorldSSP	WorldSSP300

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 112 National Federations throughout the world. It is recognized as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
